Reflection

○ God reveals himself as the Suffering Servant of God. How does God's sufferings help us to deal with our sufferings?

○ God reveals himself as the Healing God. How does God's healing manifest in our sicknesses? What are the questions we have in terms of God's healing?

○ God reveals himself as the Generous God. Why do we get upset if we don't get something from God though we know that God has given his best gift to us?

○ God reveals himself as the Forgiving God. How does this truth impact in your life and faith? How does it impact our forgiveness to others

- God reveals himself as the Loving God. How does God's love real to you through the cross and why the cross is supreme sign of God's love?

- God reveals to us as the victorious God. How does God's victory impact on your life struggles? How do you experience victorious God in your life?

- God reveals to us as the King. How does God's kingship become real in your life and how is it different from the kingdoms of the world?
